## Our Inspiration

In Memory  
Of Kaden

**Kaden  
Bradley  
Smith**

Kaden Smith was born on May 11, 2001 in Round Rock, Texas. He was diagnosed with epilepsy at the age of 4, and despite the challenges, he was a very brave little boy. On August 3, 2010, Kaden lost his battle with epilepsy. Kaden loved his family, friends, and family pets. Kaden's older sister, Kaylee, is also diagnosed with epilepsy.

Losing our sweet nine-year-old son was the most painful, heart-breaking thing our family has ever experienced. We miss Kaden every day and wish we could hug him one more time. And unfortunately, we are not alone. There are many more families out there who have experienced the same devastating loss. Even more suffer every day from repeatedly having seizures that cannot be controlled. We believe it's time for change!

We are encouraged every day to make a difference and to honor sweet Kaden. The "IM OK" (In Memory of Kaden) Walk to End Epilepsy was created to raise awareness about epilepsy and to help us find a cure so we can save lives and end the suffering for so many who have seizures! Together we can make a difference!
